Thank you for being concerned about your pet's health and the pet overpopulation problem in your city.

Did you know that spaying and neutering:

- ❑ Keeps your pet healthy and helps prevent many diseases.
- ❑ Helps keep your pet at home since he/she will not have the urge to seek a mate.
- ❑ Helps ensure that no more unwanted animals are born.
- ❑ Helps with many behavior problems, such as spraying and marking territory.

Here is what you need to know about this program:

1. This program is designed for those in financial need of assistance – with an annual income of \$50,000 or less per household and you must live in Santa Clara, Campbell or Monte Sereno.
2. Your pet **must be currently licensed** with the Silicon Valley Animal Control Authority (SVACA). A license number **MUST** be submitted on the application. To license your pet please contact SVACA at 408-764-0344 for more information.
3. Once we receive your application: You must submit a current copy of a utility bill with the application. There is a limit on this program of two animals per household per year. The current pricing at SVACA is \$10/cat and \$50/dog.**

*Please note there is a limit to how many pets are allowed per household that is regulated by each city. To view the ordinance for your city please visit SVACA's website at http://www.svaca.com/ordinances/city_ordinances.html
